

United States Mint Releases the 2010 America the Beautiful Quarters Three-Coin Set™ — Yosemite

February 24, 2011

WASHINGTON — The United States Mint will begin accepting orders for the 2010 America the Beautiful Quarters Three-Coin Set — Yosemite on March 3, 2011, at noon Eastern Time (ET). The set, priced at \$14.95, includes one uncirculated Yosemite National Park quarter-dollar from the United States Mint at Philadelphia, one uncirculated quarter from the United States Mint at Denver and one proof quarter from the United States Mint at San Francisco.

Orders will be accepted online at <http://www.usmint.gov/catalog> and at 1-800-USA-MINT (872-6468). Hearing and speech-impaired customers with TTY equipment may place their orders by calling 1-888-321-MINT (6468). A shipping and handling fee of \$4.95 will be added to all domestic orders.

The reverse (tails side) design of the Yosemite National Park quarter depicts the iconic El Capitan, which rises more than 3,000 feet above the valley floor and is the largest monolith of granite in the world. Inscriptions are *YOSEMITE, CALIFORNIA, 2010* and *E PLURIBUS UNUM*. The obverse (heads side)—common to all United States Mint America the Beautiful Quarters Program® coins—features the 1932 portrait of George Washington by John Flanagan, restored to bring out subtle details and the beauty of the original model.

The United States Mint, created by Congress in 1792, is the Nation's sole manufacturer of legal tender coinage and is responsible for producing circulating coinage for the Nation to conduct its trade and commerce. The United States Mint also produces proof, uncirculated and commemorative coins; Congressional Gold Medals; and silver, gold and platinum bullion coins.

Note: To ensure that all members of the public have fair and equal access to United States Mint products, orders placed prior to the official on-sale date and time of March 3, 2011, noon ET shall not be deemed accepted by the United States Mint and will not be honored.
